*CONVENTIONAL MEDICATIONS THAT CAN CAUSE BLEEDING

	Dantrolene	Indoprofen	Penicillin G
Acenocoumarol	Darvon	Interferon beta-1b	Pentoxifyline
Acetylsalicylic Acid	Dexchlorpheniramine	Isosorbide	Percodan
Aggrenox	Diclofenac	Isotretinoin	Piroxicam
Alprostadil	Dicumarol	Ketoprofen	Propylthiouracil
Amoxicillin	Diflusinal	Ketorolac	Respine
Amtolmetin	Digitoxin	Levodopa	Reviparin
Anagrelide	Dipyridamole	Levonorgestrel	Robaxisal
Anisindione	Donepezil	Lopinavir/ritonavir	Salsalate
Ardeparin	Emperin	Magnesium	Sertraline
Ascriptin	Enoxaparin	Meloxican	Sodium Salicylate
Auranofin	Ethacrynic Acid	Methotrexate	Soma
Carbenicillin	Etodolac	Mycophenolane	Sotalol
Chlorphenesin	Etretinate	Nabumetone	Sulindac
Chlorpheniramine	Felbamate	Naproxen	Suprofen
Cholestyramine	Fenoprofen	Nelfinavir	Tiaprofenic Acid
Choline Salicylate	Fiorinal	Nimodipine	Ticlopidine
Ciprofloxacin	Fluoxetine	Nitrogylcerin	Tinzaparin
Clopidogrel	Flurbiprofen	Norgesic	Tolmetin
Dalteparin	Fluvoxamine	Oxaprozin	Tranexamic Acid
Danaparoid	Ibuprofen	Paramethadione	Tretinoid
Danzol	Indinavir	Paraxetine	Trimethadione
	Indomethacin		Vociprofen
			Warfarin

HERBS, VITAMINS AND MINERALS THAT CAN CAUSE BLEEDING

Angelica Root	Danshen	Ginger	Meadowsweet	Rue
Anise	Devil's Claw	Ginko biloba	Onion	Red Clover
Asafetida	Doung Quai	Ginseng	Omega-3	Saw Palmetto
Bogbean	Fenugreek	Green Tea	Papain	Sweet Clover
Borage Seed Oil	Feverfew	Guggul	Papaw	Szechuan Pepper
Capsicum	Flaxseed	Horse Chestnut	Parsley	Plant Bark
Celery	Fish Oil	Licorice Root	Passionflower Herb	Turmeric
Chamomile	Garlic	Lovage Root	Poplar	Umbelliferae
Clove		Lucid Ganoderma	Queassia	Vitamin E
Co Enzyme Q10		Magnesium	Quinine	Willow Bark
